4	Planning	
4.1	New Forest National Park (NPA) Planning Applications:	
Case Ref	Address	Proposal Description
24/00695FULL	Walhampton School, MAIN ROAD, WALHAMPTON, LYMINGTON, SO41 5ZG	Cricket nets; removal of 2no. cricket nets Comment 5 – BPC has no objection to this proposal
24/00324FULL	Land off School Lane, Portmore, Boldre, SO41 5QD	Stable block with store and tack room; field shelters; new vehicular access Comment 4 BPC considers this application will have an adverse, over developed impact on the landscape. The proposal conflicts with a range of policies: SP17 because it would have an adverse, over developed impact on the landscape. Opening up the gateway access would change the aesthetic environmental quality of the shady tree covered School Lane, which, at present, has limited light coming from the East. DP52 since the buildings are in an otherwise clear landscape, not near any other buildings and thus would be obtrusive. DP51 buildings, hardstanding, drive, parking, turning area would together impact on grazing.
